

Experience the intelligence, and compassion of animals

An Introduction To Animal Communication

Have you ever wanted to know
what your animals are thinking and feeling?

**Learn Simple Techniques Taught By World Renowned
Animal Communicator Diana DelMonte**

**A Two hour workshop that will shift your perception
and open your heart**

- You will learn:**
- Techniques to quiet the mind
 - How to engage all of your senses to communicate beyond words
 - Practices to develop your intuitive abilities
 - Ways in which to send and receive thoughts to an animal

No live animals at the workshop. But DO BRING printed photographs of your animal companions!
