Welcome & Special Thanks

As Nittany Greyhounds celebrates the fifth year coordinating Greyhounds in Gettysburg®, we want to take a moment to thank those who have made this event such a success. As always, a special thanks to Triangle Greyhound Society, whose members created the foundation of this successful event; to our local Gettysburg coordinator, Carol Mentasti, without whom this event would not be what it is; to the many others, too numerous to list here, who have donated time and resources to ensure the success of this event. Our volunteers are the best anywhere, and we literally couldn't do this without them. Thank you so much to those who have helped us.

Thank you to all businesses and sponsors who donate prizes, services, and other items, and to those who welcome us and our dogs onto their grounds.

Notes About the Event

Staff

If you have a concern that needs attention, locate and notify a member of the GiG Team wearing a safety orange t-shirt that reads "AUTHORITY FIGURE" on the back. You may also bring your concerns to the main registration table. Volunteers at this table can help locate an authority figure if one is not immediately available.

Registration

The doors to the Expo Center will open at 10am on Friday. You do not need to check-in immediately on arrival, so if there is a line, feel free to come back at a later time. All pre-registrants will receive their registration items, including preordered merchandise, event tickets, and raffle tickets, when they check in. Registrations will also be available day-of for \$30 while supplies last.

All registrants will receive a wrist band that should be worn during the event as proof of registration.

Seating

We recommend that you bring folding chairs, as we cannot guarantee enough seating at each of the venues to accommodate everyone. While there are bleaches and picnic tables on site at the Allstar Family Fun Center, seating is limited. X-pens are welcome on the lawns or in the activity area, space permitting, if you wish to have an area to camp out with your dogs during the day.

Please keep an eye on the weather and plan accordingly. Space indoors can become tight if we have rain or cold weather.

Hold Harmless Disclaimer

All registrants are required to read a Hold Harmless agreement. By attending, you agree to the terms and conditions contained within the Hold Harmless agreement, regardless of whether or not you have read the document. The Hold Harmless agreement absolves Nittany Greyhounds, the Allstar Family Fun Center, and any other Greyhounds in Gettysburg® event property of liability. Your participation at our event is at your own risk. Take all appropriate measures to keep yourself and your dogs safe.

Code of Ethics

This event is for greyhound and sighthound lovers to come together and celebrate the breed and each other's efforts to place them in loving homes. Everyone is entitled to their own personal beliefs, but please realize that by participating in this event you are an ambassador and advertisement for the breed. Please be positive, and respect others who may not share the same opinions. Civility is expected, and we reserve the right to remove anyone who is not being civil.

Water for Dogs

Our ability to place water bowls on site is limited, and we recommend that you bring your own portable water bottle and bowl for your dogs. Public watering areas will be available in the off leash play area and dog sitting area. Please be advised that we cannot place water at frequent intervals inside the expo center due to safety concerns caused by water spills on smooth floors.

If your dog experiences stomach upset due to changes in the vitamins and minerals caused by drinking water from new sources (i.e. changes in tap water from one area to another), we recommend that you plan ahead and bring several gallons of your own water from home.

Cleanup

Be diligent about cleaning up after your dogs. We will provide bags at each property hosting Greyhounds in Gettysburg®. Please use these if you do not have your own. Trash cans will be available at each property for proper disposal of bags.

It is vital that we leave the grounds of each property cleaner than we found them. Gettysburg and its residents and local businesses are going the extra mile to welcome us and our hounds, sometimes in areas where dogs are not usually permitted. We must earn this privilege by continuing to be courteous guests.

Leash Rule

All dogs **MUST** be leashed at all times unless in the designated off leash play area. **Retractable leashes of any kind are NOT permitted anywhere during this event!** No exceptions. Leashes should no longer than 6' for safety reasons.

Bring a Muzzle

Muzzles are required in the off leash play area and during dog sitting. This applies to all breeds. Please plan ahead and bring your own muzzles. Some vendors will have a limited supply for sale.

Red Bandanna Rule

Red bandannas should be used to identify dogs who are not small dog safe or who are not social with other dogs or strangers. There will be some available at the GiG store if needed. Please respect dogs wearing a red bandanna and give them space so that they and their owners can enjoy the event.

Weather

Even though most of the events are inside, several will be outside and may or may not have tents available. Please come prepared for any type of weather. The event is held rain or shine. The Blur of Fur will **NOT** be held if the grass is wet.

Tips for a More Enjoyable Experience

- Please ensure your dogs are tagged with contact information, including temporary local information. Hopefully this won't be needed, but better safe than sorry.
- Bring blankets to cover the hotel beds and bedspreads, or bring dog beds. Most hotels prefer you crate your dog while in the hotel rooms if possible, but realize that this isn't always feasible.
- Remember to use the "Do Not Disturb" sign if you leave your dogs in your room alone.
- Ask your vet to recommend the best medication to have on hand in case your dog experiences diarrhea from stress.
- A change in water may affect your dog, so consider bringing water from home if your dog is sensitive.
- Offer water on a regular basis, even if traveling in the car. Panting/nervous dogs may dehydrate more quickly than usual.
- Walk your dogs before bringing them inside. If you have a dog who marks, consider using a belly band when indoors. We will have some for sale at the GiG store if you need one.
- X-Pens are a great way to give your arm a break. There will be room to set them up both inside and outside.
- Bring a cleaning product for any accidents. Be certain that the product is safe for use on multiple surfaces.
- There will be designated dog walk areas, and poop bags are provided as part of your freebies. There will also be plenty around the grounds. Please use them and clean up after your dogs.
- Bring a spare set of car keys, just in case.
- April weather in Gettysburg can be unpredictable, so pack accordingly for you and your dogs.
- Check your dog daily for ticks, which are common around Gettysburg and on the battlefields. If you have trouble with a tick, please visit the first aid station.
- **National Park Service Information:** Please know the National Military Parks, Visitor Center, and Cyclorama Centers are federal facilities. Entering with backpacks, large handbags, packages, or other large containers is prohibited. All persons entering are subject to search. Possession of weapons is prohibited throughout the park. Dogs are not allowed within the federal buildings; they can be on the grounds but must be leashed. Dogs are not permitted in the cemetery.

Gettysburg

Gettysburg is located in south central Pennsylvania, close to the Maryland border, near Route 15. It is approximately 45 minutes from Harrisburg, PA and 1 hour from the Baltimore area. The Allstar Family Fun Center is on Steinwehr Avenue/Emmitsburg Road. From Route 15, take the Route 15 Business/Steinwehr Avenue Exit, turn right at the stop sign towards Gettysburg, travel approximately three miles, and the Allstar Family Fun Center is on the right.

Battlefields

The battlefields are part of the National Park System. There are numerous books, videos, and podcasts available for purchase to familiarize yourself with the town and its history. For more information on activities and the battlefields, stop by the visitor's center located at 1195 Baltimore Pike. Websites with helpful information:

Shopping

There is plenty of shopping in the Gettysburg area. From the Outlet Shoppes to the locally owned stores downtown, there is an abundance of local vendors to suit your needs. Many local shops offer special incentives for Greyhounds in Gettysburg® visitors. Please check with local businesses and follow our Facebook page and website to learn more. Additional information may be available at registration.

Stores that allow dogs inside will have a sign posted in the window. Many of the stores downtown will have treats for your dogs and water bowls. If your dog has a tendency to mark or have accidents in unfamiliar surroundings, it may be best to skip visiting these shops with your dog or put a belly band on the boys. Although accidents can happen, please do what you can to avoid them. We encourage taking your dog for a walk to have a chance to empty out prior to visiting these shops.

Transportation

Gettysburg has trolleys that run throughout the town and stop at various locations. The trolley is free, but dogs are not permitted to ride them. Doggie day care will be offered at the Expo Center while space is available.

There is on-street parking and several lots in downtown Gettysburg:

IDEXX Blood Draw program

@ Allstar Family Fun Center Activities Area

Signup here: <http://www.signupgenius.com/go/5080f4fadac23a7ff2-idexx>

With over 30 years of providing innovative solutions to veterinarians across the globe, IDEXX Laboratories is looking to improve the diagnostics specific to greyhounds, and we need your help! Greyhounds are a special breed, distinctive in many ways from other dogs. Bred primarily for speed over hundreds of years, this remarkable dog experiences different medical conditions and scores differently on blood tests than dogs of other breeds. IDEXX recognizes the importance of identifying these differences, and strives to create specific products that veterinarians can rely on when assessing a greyhound's health. Through a quick and routine blood draw performed by one of our licensed veterinarians, your greyhound dog will provide the critical component to improving diagnostics for the entire breed. As a thank-you, IDEXX will provide each participating pet owner a \$25 Visa Gift Card.

Off-Leash Play Area

There will be a fenced area in the open field behind the Allstar Family Fun Center for off-leash play! It will be available all weekend for large and small dogs.

Please observe the posted rules while using the play area. Volunteers will conduct random checks to ensure that all visitors are being considerate in the play area. We take reports of inappropriate behavior from either dogs or humans in the play groups seriously, and reserve the right to remove anyone who is creating an unsafe or uncomfortable environment.

- Use of play area is at your own risk
- All dogs must be muzzled. No exceptions, regardless of breed.
- Dogs must be under visual and voice control of an adult
- No bullying or aggressive behavior
- No dogs under 35 lbs. during regular hours
- Limited to 10 dogs at a time
- Clean up after your dog immediately

Small dog hours will be posted on the fence during the event. The play area will be closed from 2:30pm until 4:30pm on Saturday for the Blur of Fur Speed Run.

Poop Stations

We will have several dog walk areas around the outside of the Allstar Family Fun Center that will be cleaned on a regular basis. You will be given poop bags with your registration, but there will also be rolls of them everywhere.

Please, please clean up after your dog(s). This is vitally important if we are to be welcomed back. Also, please try to walk your dogs outside so they do their business before coming into the Expo Center and/or your hotel. We will have clean-up crews, but they can't be everywhere at once.

We're depending on you to pay attention to what your dog is doing. If you see someone else being inconsiderate, please clean up after them. We want to leave only a good impression no matter where we are in town.

6:30pm - 9:00pm @ Allstar Family Fun Center

This event has a little something for everyone!

At 6:45pm we welcome The Magic of Steve Hyde & Ashlyn! Our festivities will start with a family style magic show. Following the performance, Steve will be strolling our venue performing close-up magic while a live band, the Red Eye Kings, entertain.

There will be many food trucks to provide you with a fantastic meal: Mad Dash Concessions (artisan grilled cheese), Perk Up Truck (specialty drinks), The Chicken Truck (chicken tenders, sandwiches, fries), Mo's (soul food), and Sven's Cafe Food (sandwiches). Johnny Como's Cupcake Stand will provide a fantastic desert.

Battlefield Brewery, Halbrendt Winery, and Adams County Winery will provide excellent adult refreshments for tasting and for purchase. And don't forget to BYOB.

Axell Photography will be doing "Old Tyme Photos." They will be \$40 a session and he will have a couple period costumes available for that perfect look. The photos will be E-mailed by default and you will have the right to print them or use them anywhere that you wish. What a deal! On top of all that, a portion of the proceeds will be donated to Bills local kennel, "Maine Greyhound Placement Services".

Greyt Expectations will be doing a fun ice cream social for you and your fur kids. And, our high end raffle items will be displayed and drawn by night's end, 9:15pm to be exact.

Finally, the luminaries will be set up, lining the sidewalk down to the lake.

Buffet Breakfast

7:30am - 9:00am @ General Pickett's Buffet

Join us for this first ever buffet social! We'll have one last hurrah before getting on the road, and we'll have our closing ceremony immediately after breakfast in the yard behind the restaurant. You won't want to miss this because we'll also be doing some random door prize drawings for fabulous prizes! (sorry, no dogs allowed in the food area).
